

Outstanding Awards Program

Program Objectives

The Outstanding Awards Program publicly recognises the achievements of NAFEA members in the area of work integrated learning or field experience administration. The Outstanding Awards Program acknowledges NAFEA members who have made a significant and outstanding contribution to enhancing and improving practices. The Program aims to highlight and promote the achievements of NAFEA members.

Eligibility Criteria

Applicants must be:

- A NAFEA financial member; and,
- Nominated by at least one other NAFEA financial member; and,
- Not have received an Outstanding Award in the previous year;

AND

- Have made a significant contribution to the administration of work integrated learning / field experience. Normally, this would be over an extended period of time; or,
- Have made a significant improvement in workflow knowledge and understanding in the area of work integrated learning / field experience administration; or
- An outcome that enhances the experiences of NAFEA members, students, supervisors or industry partners;

AND

- Have demonstrated commitment to WIL / field experience.
- Not be a NAFEA Executive Committee Member (e.g. President, Vice President, Secretary, Treasurer, Web Administrator) or a person on the selection sub-committee.

Award Value and Requirements

The Award value is \$500. The Awardee would normally present their innovations at a NAFEA event (e.g. annual conference or webinar).

Selection Criteria and Process

Award selection is based upon written statements addressing the eligibility criteria. Nominations cannot include self-nomination. The nominator/s must submit a statement outlining the contributions of the applicant (maximum 500 words).

The Award Program Sub-Committee will consider applications based upon the eligibility criteria and announce awardees at the annual national conference (subject to approval by the NAFEA Executive Management Committee).
